

Laos Prayer

Dear Father,

We pray for the children of Laos and the children of all nations of the world who have to work to support their families. Child labor is such a huge issue to us God, but nothing is too big for You!

Lord we pray that you will protect children against forced labor. We ask that you will provide work for their parents so that children can attend and finish school.

We pray that you would give parents creative God-ideas to acquire land to farm, and inspiration and skills for small businesses so they can provide for their families.

Your word says that children are a heritage from the Lord, and the fruit of the womb is a reward (Psalm 127:3). Please let the children know how deeply You love and care about them, and guide their parents to love and treat them as precious gifts.

Father we pray that Buddhism would be replaced with the saving knowledge of Jesus Christ in Laos (2 Peter 3:18) and that You would draw many to Yourself.

Be glorified in Laos!

In Jesus name we pray,
Amen
