

## North Korea Prayer

Dear Father,

We pray for all North Korean Christians who are suffering from extreme persecution. Lord, it seems that the enemy is having his way with them but we know that You ultimately have the victory (Psalm 60:12).

Lord we pray that You will strengthen Christians to stand for You, despite the consequences. We ask for courage and peace to be upon them and for Your mercy and comfort to shield them in the difficult times.

We pray Psalm 91 protection about them that no weapon formed against them will prosper, and that they will dwell under the shadow of Your wing. We pray that You will be a wall of fire about them and the Glory in their midst (Zechariah 2:5).

Father, be the lifter of their heads when they are hurting (Psalm 3:3). Be their refuge in times of trouble (Psalm 9:9). Be their very present help and strength (Psalm 46:1).

In Jesus name we pray,  
Amen
