

Prayer for Afghanistan

Dear Lord,

We declare in the name of Jesus that you are King over all addictions. We pray for all the children and adults in Afghanistan who are struggling with drug addictions and ask Father that you will deliver them by your power and by your Spirit.

We pray that you would reveal Yourself to them as their loving Father, and that you would dispel the lies that they have been told that Allah is the real God. We pray that they would come to know you as their Lord and Savior.

Father, we pray that every child would have the opportunity to go to school, receive healthcare, and food for their growing bodies.

Finally Lord, we ask that Your peace, that surpasses understanding would rule and reign in their nation.

In Jesus Name we pray,
Amen
