

Prayer for Yemen

Dear Lord,

According to Your Word, we speak up for those who cannot speak up for themselves, and we bring these precious child brides before you (Proverbs 31:8). We cry out for help! We ask for your intervention in their lives. We ask Lord that you would defend their rights and that they would no longer be prisoner to these unrighteous practices.

Father, You are just. Fight against those who fight against righteousness in Yemen. Tear down the walls that are keeping the Good News of Your Son from entering their borders. Lift the veil that blinds the eyes of these people and let the light of Your glory penetrate the darkness.

Lord, bring freedom to these captives. Set the oppressed women free to be who you created them to be. Let the little children come to you, the One True God. Change mindsets so that girls can attend school and learn to read and write.

Father be glorified in Yemen!

In Jesus Name,
Amen
