

Prayer for Maldives

Dear Lord,

We pray that your name will be lifted high in Maldives. In this 100% Muslim country, we ask that freedom to worship You will be given to every citizen. Lord. Let this nation be a focus of human rights organizations and advocates for religious freedom from all over the world. Use your people on earth to fight for change in this oppressed, persecuting land.

Lord bring Your holy conviction to this government and drive them to repentance and salvation. Raise up righteous leaders who will look after the interests of the One True God, and not bow to the false god of this nation. Let this righteousness be reflected in their laws and their leaders.

Lord break open these closed borders to allow missionaries and Bibles in and let your Word go forth from the north, south, east, and west in Maldives.

In Jesus Name,
Amen
