

## Prayer for Iraq

Dear Father,

We pray for a growing presence of the body of Christ in Iraq. There are only about half of the number of Christians now that were there 20 year ago because of the ongoing persecution. So many Christians have fled to Syria, Jordan, and to the West. Most of Baghdad's churches are closed or destroyed.

But, Lord, you give hope to the hopeless. Please bring the Iraqi Christians hope, protection, perseverance, preservation, and courage to stand in their desperate situation.

We pray for the Believers, for their witness to non-Christians, and for their faith to endure despite the difficulties. We pray for leaders who have fled the country to return to develop and disciple new leaders. We ask that all the unreached people groups of Iraq will have the opportunity to learn of you through others and through dreams and visions. Visit the Iraqi people, oh Lord!

In Jesus' name we pray.

Amen
