

Prayer for Pakistan

Dear Father,

We pray that you will protect the Christians in Pakistan who stand for their faith and are being persecuted. Lord, bring freedom to worship You to this nation that is so entrenched in Islam. Soften hearts and humble those who do not know You. Give them a thirst and desire to know You.

Father, please provide a way for all children to go to school. Provide for their families so they will not have to work. Put righteous laws into place that will protect child workers from terrible working conditions and long hours.

We pray that you will “uncover” all of the terrorists that want to hurt others in this nation and bring them to justice, for You are a just God. Bring Your peace that surpasses understanding to Pakistan.

In Jesus Name,

Amen
