

Prayer for India

Dear Lord,

Father, we come boldly before Your throne of grace today on behalf of the street children of India. Father, there are so many who working the streets as rag-pickers, vendors, shoe shiners, and other jobs just to survive day to day. They are sniffing glue to relieve them of the pain of feeling hungry and unloved.

Lord, come to them as their loving Father. Rescue them from their abusers and oppressors! Deliver them from those who want to bring them harm! Assure them of your love for them!

Oh Father, to whom can they turn besides You? Reveal yourself to them in a powerful way that they will know they are not alone and that you are a Father to the fatherless.

Provide them with their daily needs of food, clothing, shelter, and love. Lord, we pray for righteous laws that will protect and help these children. We pray for the church in India to Rise Up and care for them just as Your Word commands.

Oh Father, forgive us for not caring for the children as we should. Open our eyes to the needs of children all over the world, and make us vessels that You use to rescue them.

In Jesus Name we pray,

Amen
