4 potatoes

1 tablespoon oil

1 teaspoon salt

1/3 cup shredded cheese (Swiss or any white cheese)

1/2 teaspoon chili powder (or to taste)

1 1/2 cups water

Cut potatoes into small pieces. Put them along with oil and salt in a sauce- pan or pot. Add water. When potatoes are almost cooked, add cheese. You can add some chopped onions and tomatoes to taste. Don't forget the chili powder! Add a little water if it gets too dry.
