

## Prayer for Vietnam

Dear Lord,

We come before you on behalf of the Vietnamese people whom You know and care for intimately. Father, there are so many living in poverty and squalor, working in garbage dumps to find their daily bread and necessary clothing; even selling their children into trafficking with the hope of a better life for them. But their most urgent need is for You oh God.

Father, they are worshipping false idols In Your place. They don't know that You are the One who gives them a hope and a future. Lord, open their eyes to the truth of who You are. Send a messenger of your Word to those who haven't heard. Supernaturally visit those in desperation and draw them to yourself.

In Jesus Name we pray,  
Amen
